

**Small Things** On the cusp of having everything slip from his grasp, a young boy has to find a way to rebuild his sense of self. An ordinary boy in an ordinary world. With no words, only illustrations, Small Things tells the story of a boy who feels alone with worries but who learns that help is always close by. A On the cusp of having everything slip from his grasp, a young boy has to find a way to rebuild his sense of self. An ordinary boy in an ordinary world. With no words, only illustrations, Small Things tells the story of a boy who feels alone with worries but who learns that help is always close by. An extraordinary story, told simply and with breath taking beauty. ...more Small Things PDF ebook
